Member Testimonials

"My investment in the Benzie County Chamber of Commerce more than paid for itself within two weeks of joining."

Amy M. Plumstead CPA,

"The Benzie County Chamber of Commerce offers multiple ways for our non-profit to engage with the community. From e-blasts and event promotions, to Business After Hours, always resulting in new opportunities and strengthened relationships for Grow Benzie. The Chamber is considered a partner and vital to the success of our organization."

Josh Stoltz,
Grow Benzie GrowBenzie.org

"There are multiple benefits of being members of the Benzie County Chamber of Commerce and one of them for us is the use of their bulk mailing permit. In 2008 we exhibited at 34 national trade shows all over the country. Prior to many of these shows we mail to the attendees to invite them to our booth. Being able to use the C of C bulk mail permit saves us time and money in these mailings. This service alone is worth the membership dues and then we benefit from other C of C programs also."

Jack Gyr for Field Crafts, Inc. and BookWear®

"Participating in the Chamber E-blasts has definitely been effective in adding to the overall awareness of my business. I continually receive positive feedback from people in the community that have seen them."

Christina Duperron, Allied Member ASID,
Duperron Designs Inc., duperrondesigns.com
