The Union Area Chamber of Commerce serves as a catalyst by uniting member businesses, community agencies, education and government to make Union a great place to live, work and play.

The Union Chamber provides members with networking, referrals, and promotional opportunities, and presents quality programs to help members be as successful as possible. The Union Area Chamber of Commerce invites you to join our organization with the understanding that our main purpose is to help you and your business! Please see the enclosed "Question and Answer" form, which outlines some of the common questions we incur from those interested in our Chamber. Joining your Chamber provides help to you in many ways to operate your business more efficiently as you grow and prosper.

Membership investments are based on two factors: the type of business or organization and the number of employees. Enclosed in the attached packet is the "Membership Investment Schedule," which breaks down each level. Annual dues begin January and end in December. The Union Chamber follows a pro-rated schedule, inviting businesses to join the Chamber at any time throughout the year.

Thank you for making the positive decision today to join your local Chamber. The Union Chamber is here to serve you and be the champion of businesses in Union.
