

Employee Benefit Plans for Your Small Business

If you're looking for comprehensive benefit plans at competitive pricing for your small business, look no further than the Business Health Trust (BHT) through the Seattle Metropolitan Chamber of Commerce.

Cost isn't the only bonus of purchasing your benefits plan through BHT. Other perks include:

- Ease of consolidated administrative services
- COBRA administration at no additional cost
- Electronic fulfillment including plan booklets, summaries and forms

BHT makes the decision easy for you by offering benefits packages through the largest and most respected insurance carriers in Washington state, including:

- **Medical:** Premera BlueCross or Kaiser Permanente
- **Dental:** Delta Dental of Washington
- **Vision:** VSP Vision Care Inc.
- **Life/AD&D:** LifeMap

Kaiser Permanente is available to businesses with one to 50 employees; Premera plans are available for the below industries for employers with up to 199 employees.
