

Jubilee Parade Entry Rules

Saturday, July 13, 2019

- The Jubilee Parade starts at 3:00 p.m. and ends around 5:00 p.m. on July 13, 2019.
- **You will be contacted the week of the parade for your spot in the line-up.**
- Arrive at least a half hour early to get into your position.
- You are responsible for finding your own transportation for your parade entry.
- Please keep moving! We want to make sure there is a consistent flow of parade floats and no big gaps between entries. However, you may stop and perform in front of the judges (located in front of Security State Bank).
- Children under the age of 16 must be accompanied by an adult. The supervising adult is responsible for the safety and the pace of the children. (This is a **long** parade. Please keep that in mind when planning.)
- If your vehicle breaks down or overheats, please remove it quickly so that the rest of the floats may pass by.
- If you have animals you will automatically be placed at the end of the parade, and you must have someone clean up after them.
- After you pass the judges, look for volunteers who will direct you on where to go at the end of the parade. Please **don't stop** until after you reach Hibbing High School.
- Winners will be contacted the week after the parade.
