

Olney Chamber of Commerce “Giant Survey”

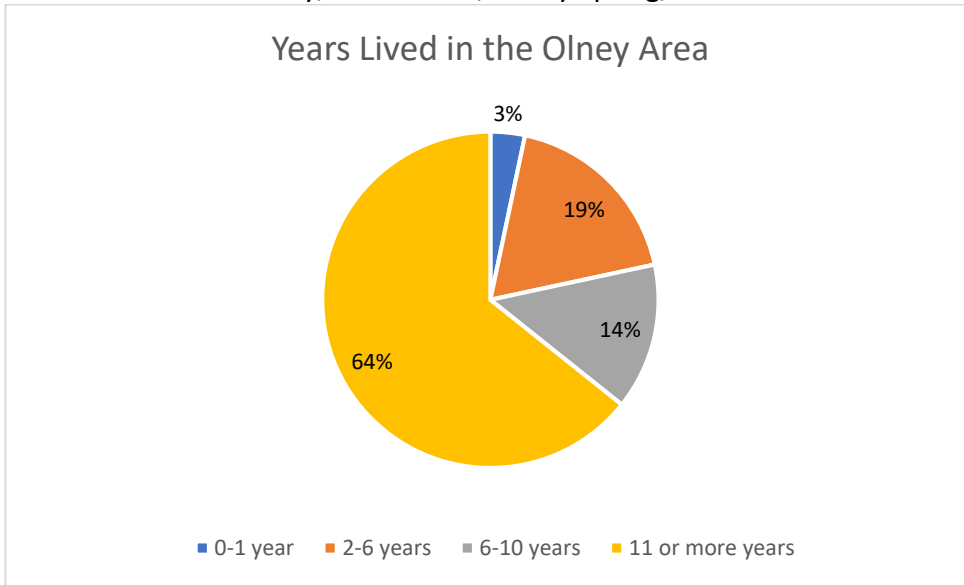

The Olney Chamber of Commerce asked residents to take an informal survey of what they’d like to see in the Giant Location on the corner of Georgia Ave and Spartan Rd (8/2-8/8/2018). With nearly 1,300 responses, the public is clear on what they’d like to see in the Giant location. It can be divided into a few broad categories and then specific businesses to take over the location. First, residents are clear that they want an entertainment-based venue, a specific store-based venue, followed by a community-focused venue. The entertainment venue consists of a Movie Theatre, Bowling Alley, or Youth Hangout (young children to teen aged activities). Residents also were specific in requesting, first, a Trader Joe’s, followed by Target, Wegmans, Craft Store, Gym (Rock climbing, Planet Fitness, LA Fitness etc) and Athletic Store (Dick’s). Finally, residents focused on a venue that services the community either through a recreation center, park, or other multi-use venue.
