

# Taste of Powell

## Sponsorship Opportunities

Taste of Powell is the Signature Fundraising event for the Powell Chamber of Commerce. This event is held annually at the Columbus Zoo Waters Edge Park, and draws between 700-1000 chamber members, city officials, volunteers, and community members, as well as restaurant and zoo staff. 24 local restaurants will present food taste selections at tables throughout the 4 pavilions along the banks of the Scioto River. The evening will also include musical entertainment on the center stage surrounded by guest tables and a dance floor. Don't miss out on the opportunity to promote your business to this vast community and chamber member audience.
