

What You Need to Know About PPACA* and Health Care Reform

1. What's your favorite metal? All health plans are changing to one of four styles: platinum, gold, silver or bronze.
2. Group and individual pricing is changing to a community rating. Contact us before early 2014 to determine the impact for your company.
3. Guaranteed Issue means no more health questions and no one can be turned down.
4. Government approved plans will leave gaps in coverage. Learn how to help your employees fill those gaps.
5. Understand the penalties related to employee benefits, before they begin in 2015.
