

FEED OUR EVERYDAY HEROES

As the number of people infected with COVID-19 rises, hospital workers and first responders are working around the clock to keep our community healthy – with little time for meals, trips home or to the grocery store.

The team at 4 Star Restaurant Group is working hard to support the fight against COVID-19 by providing meals to these selfless professionals working multi-day shifts.

The number of people that we can serve depends on the funds that we can raise. Together, we can help provide a comforting meal for the healthcare warriors on the front line.

100 hot meals = \$1000
