

## Musician Application

Thank you for your interest in our 2017 Low-Line Market. The Market is held Thursday evenings from June 1 through October from 3:00pm – 7:30pm under the auxiliary exit of the Southport CTA Brown Line station.

The Chamber is happy to invite neighborhood performers to apply for a time to entertain market goers and showcase their talent! There is no charge for use of the venue, and a hat can be passed for donations. Priority will be given to performers with a Lakeview connection.

All musicians at the Market must perform acoustically, and there is no electrical power available at the Market site. Battery powered amplifiers are permissible under certain circumstances at the Market Manager's discretion. Use of drums and percussion must be limited so vendors and customers can carry on conversation easily.

The Low-Line Market is not able to pay musicians to perform at the market. However, musicians are allowed to collect tips and sell CDs and other merchandise (so long as it is not food or tote bags). We will also promote you online via our Facebook pages (Lakeview Chamber & Low-Line: over 7,000 likes), email newsletter (over 2,000 subscribers), website (LowLineMarket.com) and other forms of social media.

The Market will provide musicians with a 10ft x 10ft tent, however all other equipment (including chairs, signage and tip jars) must be provided by the performers.
