

Special Service Area (SSA) 27 Security Rebate Program: Health & Sanitation Rebate Addendum

Created March 13, 2020

1. Description

The Health & Sanitation Rebate Program (the “Program”) was created and approved by the Lakeview Special Service Area 27 (“SSA 27”) Commission in emergency response to COVID-19. This Program is funded by SSA 27 as an extension of its Security Rebate Program and administered by the Lakeview Chamber of Commerce (“Chamber”). The goal of the Program is to support local businesses impacted by high sanitation materials costs due to COVID-19 and reinforce a safe and clean environment by providing incentives in the form of rebates to businesses within SSA 27 boundaries (boundaries noted below) with an increased need for personal and commercial sanitation, cleaning, and sterilization products, including antibacterial hand soap, hand sanitizer, isopropyl alcohol, disinfectant wipes, disinfectant spray, and cleaning supplies. Businesses have been confronted with a heightened need to quickly, frequently, and thoroughly clean their location and all equipment, and the measures of this Program are meant to support the obtainment of these supplies so that businesses are well-positioned to provide a healthy and safe environment for their employees, customers, and the wider community.

Applicants that meet all Program requirements outlined in this document may receive a rebate of up to **50% of eligible costs, not to exceed a total of \$200 per project**. Due to the evolving nature of COVID-19 and its impacts on businesses, the SSA 27 Commission reserves the right to implement additional Eligibility Requirements as it deems reasonable, and change or end the Program at any time.

2. Eligible Applicants & Projects

1. **Applicants must be locally-owned businesses located on the following SSA 27 service area corridors:**
 - Belmont Avenue (Ravenswood to Racine)
 - Lincoln Avenue (Addison to Diversey)
 - Ashland Avenue (Addison to Diversey)
 - Southport Avenue (Byron to Belmont)
2. **Applicants may only seek a rebate for the below items that are used to clean their business and reinforce a safe and clean environment:**
 - Antibacterial hand soap
 - Hand sanitizer
 - Isopropyl alcohol
 - Disinfectant wipes

- Disinfectant spray
 - Sterilization and disinfecting cleaning supplies
3. Applicants must be the entity paying for the project.
 4. Applicants must comply with all requirements and deadlines set forth in these Guidelines and Application and respond to any questions in a timely manner.
 5. To the extent that the owner or tenant is supplying his or her own materials or labor for the project, profits and overhead are not eligible expenditures for rebate.

3. Application Process

Applications are subject to review and approval by the SSA 27 Board of Commissioners and a business shall only be awarded a rebate once, **subject to funding availability**. In case applications exceed current funding, the SSA 27 Commission and Lakeview Chamber of Commerce will ensure fair and impartial distribution of rebates by employing a lottery system to determine funding order. Additional details regarding rebate timeline and rebate submission requirements will be included in the Program application. **NOTE: The Lakeview Chamber of Commerce and SSA 27 are conscious that time is of the essence, and processing all rebate applications will remain a priority during this crucial period.**
