

The Military Affairs Committee of the Elizabeth City Area Chamber of Commerce (MAC) works year-round to promote communication and interaction between the military, veteran support organizations and the businesses of the Elizabeth City area. The MAC includes active duty representatives from the Coast Guard Base as well as committed veterans and professionals. We ask that you consider being a MAC sponsor.

MAC Sponsors are individuals or organizations that make a monetary contribution to support the work of the Military Affairs Committee. You can become a Sponsor at one of four levels:

4 Star Sponsorship: \$500

3 Star Sponsorship: \$250

2 Star Sponsorship: \$175

1 Star Sponsorship: \$75

Your generous investment will fund the multitude of projects and services of the Military Affairs Committee. Your support allows the Military Affairs Committee to continue offering excellent programs and services such as Coast Guard Week, Memorial Day, Veterans Day and Military Awards Recognition events.

When you become a MAC Sponsor, you help to maintain and strengthen relationships with 13,000 of our neighbors at Coast Guard Base Elizabeth, veterans, and their families who call the Elizabeth City area their home. If you have a desire to make a difference and support our Coast Guard members, this program is a great way to show your support.

To find out more about how you can become a sponsor or get involved with the Military Affairs Committee call the Elizabeth City Area Chamber of Commerce at (252) 335-4365. Thank you for your consideration and thank you for your support.
