

17th Annual Pleasant Hill Art, Wine & Music Festival October 5th & 6th, 2019

Would you like an opportunity to promote your wine, wine club or venue events at a local festival that is small enough for you to stand out, but big enough to give you visibility to 15,000 attendees?

The Pleasant Hill Chamber of Commerce, the City of Pleasant Hill and the Pleasant Hill Downtown Association will be hosting the 16th Annual Pleasant Hill Art, Wine & Music Festival the first weekend in October. This event showcases wines, beer, 70+ arts & craft vendors, great food, kid's events and music concerts – including a free Saturday evening concert with a well-known and popular local band.

We are currently seeking wineries that are interested in donating premium wine to be poured in our “Premium Wine Pavilion” by your personnel and/or our local business sponsors. Participating wineries will be provided table space and an area behind the table where promotional backdrops/displays, etc. can further enhance visibility. Participating wineries will also have their logo printed on the Premium Wine Pavilion sponsor banner*.

You can choose whether or not you wish to have your winery personnel participate at the event or we will gladly come to your location to pick up the wine. Our request is a donation of 4 cases of 2-4 different varietals of your choice for the weekend. Of course, we welcome your ideas regarding a higher level of participation!

Thank you for your consideration.

Sincerely,

Judith Sosnowski, Ramona MacIntyre & Ann Mimiaga
