## Headquarters Campground Information

### About the Campground

The campground is open year-round, however, amenities and services from November through April are limited.

### Facilities, Services and Amenities

A camp store, flush toilets, and coin-operated showers are available in the campground during the regular season. From November through April, outhouses are open, but water and firewood are not always available. The campground road is not plowed in winter and visitors must hike their gear to their site.

### About the Policies

- Check-in time is between 1 pm and 8 pm. Check-out time is 11 am. Campers are welcome to use the day-use area for the remainder of the day after checking out and vacating their site.
- Camping fees are required daily.
- The park accepts cash, voucher, money order, Mastercard, or Visa.
- Visitors must pay the day-use fee and may visit in the campground during posted visitor hours.
- Quiet hours are from 10 pm to 7 am.
- Pets are not allowed in the campground or anywhere on the mountain.
- Firewood may be purchased at the toll booth when staff is present. It is against the law to peel birch bark, cut trees, shrubs, or branches. Only loose wood on the ground that will completely fit in the fire ring may be scavenged.
- Sort recycling and deposit at the recycling station located at the tollbooth. Sorted trash will be accepted.
- Do not wash dishes in the bathroom sinks (there are dishwashing sinks outside the showers), or brush teeth or wash dishes at the water stations.
- At your site, park in designated area only. Do not move barriers, or park vehicles on the tent location.
- Firewood is a major carrier of exotic insects and tree diseases. Please do not bring firewood from out-of-state locations.

### Activities

Many of the trails that lead to the 3,165 foot summit of popular Mt. Monadnock start near the Headquarters Campground. Unsurpassed 100-mile views to points in all six New England states are the reward for a climb. Approximately 40 miles of maintained foot trails provide a variety of hiking opportunities. Approximately 8 miles of trail system in the lower elevations offer great ski touring for the experienced cross country skier.

### For Your Safety

Do not invite wildlife into the campground or to your campsite. Keep a clean site, dispose of food waste properly, and secure all food and heavily scented items in your vehicle at night.

### Making a Reservation

Reservations for organized youth group camping are required and should be made by calling ReserveAmerica at 1-877-647-2757. Off-season youth group reservations can be done directly through the Park Office at (603) 532-8862.

### Monadnock State Park Recycles

Ask our staff how you can help recycle in New Hampshire State Parks. Thanks for keeping New Hampshire clean and green.
