

Gates-Chili Chamber of Commerce Definition of Membership Levels

Individual Membership shall be any person not representing a business, firm, corporation, partnership, association or trust. Member shall only have their name listed in the Chamber's Membership Directory, except for elected public officials whose position will be listed, and may attend any Chamber event with one guest at member's price.

Business Membership shall include any individual, business, firm, corporation, partnership, association, institution or trust wishing to advertise their business. Members shall have their business name and contact person highlighted in the business directory with a hyperlink to their website, have their name and business included in all Chamber media ads, invite guests to Chamber events at membership prices, opportunity to host a Chamber meet and greet, opportunity to distribute business literature at Chamber events and an opportunity to include their business literature at any event the Chamber has a display table.
