**All dates are subject to change based on Chamber calendar.*

Most sessions will be held the second Thursday of each month from 12:00 pm to 8:00 pm. Overnight session/retreats are scheduled in September and February. Note: *The February session involves an overnight trip to Austin.*

In addition to these regular sessions, participants will be required to participate in extracurricular related to the Leadership Corpus Christi program. The nature of the activities will be left to the discretion of the General Chair.

Attendance at the above sessions is mandatory. There are no excused absences. Automatic dismissal of a participant will result from failure to pay full tuition on or before December 1, 2019, absences from sessions or retreats in excess of 16 hours; three occasions of either late arrival or early departure; or failure to complete the designated extracurricular activities. Those who are unable to make this commitment should not apply.

Participants are offered many other optional opportunities to learn about Corpus Christi and its issues. Although attendance is not required, participants certainly benefit personally from participation in as many of these optional activities.
