

George Gates
Nutech IT Solutions & Chemainus Village Computer Centre
Past President

George owns and operates NuTech IT Solutions and Chemainus Village Computer Centre. He received the 1999 IT Student of the Year Award when he graduated from BCIT. George then worked in project management with Burntstand, Fincentric & Electronic Arts. George founded NuTech IT Solutions & later relocated to Vancouver Island with his 2 children. By delivering solutions that reduce cost, & improve the management & security of data & networks, clients of NuTech IT Solutions focus on productivity, service & the people they serve – instead of maintaining their technology.
