

WEST COAST CASH

West Coast Cash Corporate Holiday Gifting Program

Looking for gifts for your staff?

This holiday season, help us support our local businesses by giving the gift of West Coast Cash. It's the gift certificate program that keeps money right here in our local economy. As a corporate buyer, it's a way for your large business to participate in supporting our small businesses and helping our community thrive.

Many companies choose to give West Coast Cash as holiday gifts to their employees, and we've put together a program to make that very easy. Here's why it works:

CONVENIENCE: Order online & print at your office.

CUSTOMIZATION: Elect to have us print the certificates for you & package them in your personalized envelopes, ready to distribute. (Contact us via email for this option.)

SAVINGS: Orders of more than \$10,000 receive a 3% discount when paid by check. (Contact us via email for this option.)

PERSONALIZATION: Let the recipient choose exactly how to spend the gift, with the choice of over 90 merchants.
