### Portland Economy

Portland is the Land of Possibilities, we have the perfect retail space if you are looking to open that great boutique, or that oh so wonderful bakery down the street. Portland also offers the opportunity for growth in the Industrial Market, where you have the capability of shipping by rail, land or water. Portland has it all!

A few of our newest ventures in the community are Cheniere Energy, Tiajin Pipe Corporation of America, Voestalpine Texas LLC and a new Academy Sports Store scheduled to be open Spring 2014.

Through the Chamber, we also promote the products and services of our local businesses, serve as advocates for our business community, encourages retail and commercial development, to promote business opportunities and host business networking events.
