AIRDRIE CHAMBER of Commerce

ACTION *through* CONNECTION

The Airdrie Chamber of Commerce is a network of local businesses and professionals working towards furthering their collective interests within the community.

We offer a variety of services and benefits to help members promote their business, develop strong networks, get informed, save on business expenses and collectively advocate for the betterment of our community.

The Airdrie Chamber is implementing a new tiered membership system that will better serve the needs of our members; it's your chamber, built by you for you.

Tiered Chamber Membership is a powerful new option to gain exposure, influence and integration within our community. Aimed at all business models, tiered membership offers something for small and large businesses; start-ups and well-established businesses can both benefit from preferred rates, bundled event ticketing and advertising services.
