★ ★ ★ ★ ★ a grateful community honoring those who have served

November 11-17, 2018

Please consider providing discounts to military personnel, their families and retired military during Military Appreciation Week, November 11-17, 2018, who present your business with a military identification card.

These discounts can come in the form of a significant percentage off food or merchandise, two-for-one discounts or other forms of discounts or specials to bring them through your doors during Military Appreciation Week.

Does your business already offer discounts to our Military on a daily basis? GREAT! Please let us know so we can include these discounts, too!

All discounts and specials will be posted in the local and base newspapers and the Chamber website to let our military know who is participating and your company will receive additional recognition for its support.

**Yes, I would like to offer a discount for Military Appreciation Week.
Deadline to submit a discount is November 1, 2018**
