Minnesota Valley Country Club
Golfer VIP Bag Donation**

Donate to the Golfer VIP Bag for the 46th Annual Golf Classic and keep your business visibility up to par! A donation is the perfect opportunity to get your product, service or business name in front of more than 150 influential business professionals from many Twin Cities companies. This signature event generates revenue for the Bloomington Chamber to support our programming and reinvest in our community. Given that one of the chamber’s major priorities is education, we have created a scholarship program through the Bloomington Future Leaders. We also support our local Community Partners, such as Bridging and VEAP. Portions of the proceeds from our signature events help fund these community outreach programs of the Chamber.

Please complete the form below and return to the BC office via fax at 612.370.9195 or email it to Anna at astinson@bloomingtonchamber.com.
