Our Mission
The Minneapolis Regional Chamber advocates for a positive business environment that advances our region’s interests resulting in economic growth.

Our Vision
The Minneapolis Regional Chamber strives to build an inclusive, innovative and globally competitive region that attracts and retains businesses, talent and investment.

Our Promise
As the region’s leading advocacy organization, the Minneapolis Regional Chamber continues to challenge leaders at all levels to improve economic competitiveness on behalf of businesses.

Our Partners
As a convener and connector, the Minneapolis Regional Chamber and its partners set measurable and achievable goals that create change and increase opportunity, equity and prosperity.

Our Members
Minneapolis Regional Chamber members are central to our work as we create opportunities for growth through our advocacy efforts, meaningful programming and services.
Dear Minneapolis Regional Chamber Members & Partners:

As the largest and most diverse business association in the region, the Minneapolis Regional Chamber is advocating for policies that build a thriving economy.

We are tackling the region’s biggest challenges on behalf of the 1,500 companies and a workforce of approximately 500,000. As we do so, we are considering the needs of businesses that opened their doors last month, as well as businesses that have operated for more than a century. We are working on your behalf so you can focus on operating and growing your business.

As we work to transform the region we call home, we serve as both a convener and a connector bringing leaders together to set measurable and achievable goals to increase opportunity, equity and prosperity.

Strategic partnerships with leading organizations, including the Center for Economic Inclusion and GREATER MSP, will create new opportunities for change in 2020. We are working together to ensure your investments in our efforts are used effectively as our organizations address priority advocacy areas: affordability, mobility and the region’s workforce.

We’re also transforming your chamber in 2020 to ensure we are in alignment with our mission to create a positive business environment that results in economic growth. We will provide valuable and accessible member services with an even stronger commitment to delivering on our promise to improve economic competitiveness as the leading advocacy organization in the region.

Thank you for being part of our civic-minded, forward-thinking business community. We’re proud to be your partners.

Sincerely,

Ravi Norman  
Board Chair

Jonathan Weinhagen  
President & CEO
The Minneapolis Regional Chamber advocates for businesses at the local, regional, state and national levels. We challenge elected officials and policymakers to take actions that improve our economy and create growth.

The Minneapolis Regional Chamber has delivered on its promise to put the interests of the region front and center. This commitment has not changed. We continue to transform this organization building our body of work and securing new resources to ensure we remain the leading advocacy voice for the region.

Economic growth is essential to the success of our region. The Minneapolis Regional Chamber provides businesses access to thought leaders, subject matter experts and technical assistance through successful programs that focus on transit options, workforce data and business efficiencies.

The Minneapolis Regional Chamber has deepened its investment in the future workforce by expanding its suite of programs focused on leadership development. These training opportunities build a pipeline of well-informed and thoughtful individuals positioned to be the next generation of regional leaders.

The Minneapolis Regional Chamber is at the center of the region’s most strategic organizational alignments. These meaningful partnerships create the connectivity necessary to advance the advocacy, economic development and economic inclusion work our region needs to compete.

The Minneapolis Regional Chamber has deepened its investment in the future workforce by expanding its suite of programs focused on leadership development. These training opportunities build a pipeline of well-informed and thoughtful individuals positioned to be the next generation of regional leaders.
