    - ii. Katie motioned and Bre seconded to get rid of the Duck Pond and String is the Thing. We will be replacing these 2 games with Circle Hole: *Have a par 3 with three circles. A large ring that would take up a good chunk of the green. A medium ring inside the large one that is say a 30 foot radius around the pin. Then a small ring that is a 10 foot radius around the pin. Golfers choose which ring they think they can hit it into (that way even average golfers will feel that they have a chance of at least getting inside the big ring and might be more apt to play.) If you choose the large ring and land inside that you double your money. If you choose the medium ring and win it is 3 times the money. If you choose the small ring and win, it's 4 X the money. Even if they win, they might just donate it back.*
