Some reasons to attend business networking events

- **Increase your visibility** by making sure your face and your message get in front of new contacts on an ongoing basis.
- **Start relationships** that will lead to new alliance and referrals and make sure to follow-up to deepen business relationships.
- **Offer and receive referrals.** The best way to fill a need is with someone who has already proven him/herself with someone you know. Networking events are great for this kind of referral exchange.
- **Stay current on trends** in your industry with new information you can gather at these events.
- **Become and stay connected** to key influencers in your industry and within your target market.
- **Find solutions to your problems.** Odds are someone else has had and solved your current situation. You, in turn, can offer solutions to others.
- **Learn and become motivated.** Leave with new ideas, inspirations and a regenerated sense of motivation.

The Bronx Chamber of Commerce sponsors a variety of programs and services to businesses ranging from large corporations, cultural institutions, universities and colleges, hospitals and medical centers, and mid-sized to small companies.
