

Chamber Members,

In response to the growing need in the community for access to local products from local businesses, many of you are taking initiative to provide your products and services to those who are unable to travel to local stores. As many local businesses do not have e-commerce websites, processing this growing volume of transactions and managing delivery schedules is proving to be a tremendous challenge.

We can help.

BringMeBasics.com is an e-commerce website that connects the community with your business by facilitating the online purchase of essential items. Local residents know and trust you, and they want to buy from you, but with increasingly stringent social distancing protocols, they are choosing to buy online to maintain these safety measures.

BringMeBasics.com allows your customers to order, pay for, and arrange delivery of products they need from you, online. It's safe. It's local. It's available NOW!

BringMeBasics.com has a storefront specifically for YOUR COMMUNITY. to find out how you can get involved, contact us at:

BringMeBasics@goldenwest.ca

Your Investment:

3% of all transactions to cover credit card fees

*NO setup fees, NO ongoing fees - we are doing this to help you and our community!
