

**Weaving on a Rigid Heddle Loom:** This weaving class will be on a rigid heddle loom(s) all prewarped with different types of thread and yarns and ready for interested students to weave. Class participants will be able to weave a pot holder, a mug rug, or a small dishrag.

**Class fee:** \$15.00 plus \$15.00 material fee

**Instructor Marcy Foran:** Learning to knit ,crochet, sew and embroider as a child, was the beginning of Marcy's fiber story. As the years proceeded so did her passion for fiber. In 2001, she learned to spin and now has more than one spinning wheel. Then in 2007, she learned to weave and has not looked back. It has been a journey that has led her to meet some very interesting people, and see interesting places. Marcy has learned that exploring is a very interesting process at any age. Most interesting is the more she learns the more she realizes she does not know.
