Good afternoon, SHPS families!

As we begin the first week of the state-issued school closure, South Haven Public Schools is working to maintain services for our kids. Starting tomorrow, Tuesday, March 17th, we will begin providing a nutritious breakfast and lunch to **all** of our school families, regardless of free and reduced lunch status, with pick up and delivery options for your convenience!

Going forward, deliveries will take place each week on Tuesdays and Fridays at a number of stops listed below. Through these deliveries, families will receive enough breakfasts and lunches to last until the next delivery date. For those who are not able to obtain meals at one of the predetermined stops, food will also be available by curbside pick up at the south gym entrance of South Haven High School on Tuesday and Friday afternoons from 3:00-6:00 PM. If these options are not conducive to your schedule and your family would benefit from our food offerings, please contact our Administration Building at (269) 637-0500 for assistance.

Additionally, I'd like to take a moment to speak to the generosity that our school families and volunteers have displayed as we've tackled complications from the COVID-19 virus. We have received multiple offers of assistance from individuals, organizations, and businesses, all dedicated to the well-being of our students. All of these efforts are recognized and truly appreciated! As I stated in my last letter, this is an entirely new situation for everyone but I have no doubt it is one that we will get through together as a community.
