Registration ends at 3pm, and your team/sled must be registered to participate.**

After registration, you may display your sled at the marina pavilion until you transport it to the sledding hill for the race!

- Paint or other decorations are allowed, as long as they are non-structural, don't pose a hazard, and do not impact sled performance.
- Absolutely no nails, screws, staples or other sharp objects allowed anywhere on the sled.
- No wood, metal or hard plastic allowed.
- Please use your best judgment, and if you think something may pose a hazard or leave debris behind on the hill, don't use it.
- All sleds will be inspected at registration. Disqualification for non-compliance with rules or any safety concerns will be at the inspectors' sole discretion.
- Sleds must hold at least one person, but no more than two riders at a time will be allowed to ride on any one sled. (All riders must have signed waiver)
- All participants are strongly encouraged to wear a helmet (such as a bike helmet). Participants under the age of 12 years old will be required to wear a helmet.
