Partnership Opportunities

Be a Chamber Partner!

Partnering with the Cecil County Chamber of Commerce is an excellent way to market your business and promote your commitment to our community. Chamber programs and events are highly publicized. As a Chamber Partner, your company's brand is included in print and online advertising to provide you valuable public recognition.

The Chamber's Partnership opportunities allow members to support the events and programs that are of greatest interest to them. Choose the ones best suited to your company, based on the marketing impact you want to make.

Partner or Sponsor?

Chamber Partners support multiple events and programs throughout the year with an annual commitment for a specific dollar amount. Packages are customized to meet your needs and interests.

Sponsors support specific events as they're presented throughout the year as individual items. Sponsorships are available for every business and every budget. Contact the Chamber for more on Sponsorship Packages.
