

Hartsville Dollars

A Chamber program to boost local business

Hartsville Dollars is a program for Chamber Members that allows Hartsville's residents and visitors to give a gift that is as flexible as cash but ensures that the money stays right here in Hartsville. Member businesses can opt-in to the program at no additional cost – simply let the Chamber know that you want to participate, and your business will be added to the list of participating businesses. These lists are always included when Hartsville Dollars are sold, so it will be easy for customers to find you.

Example of a \$20 Certificate

When a customer brings a certificate into your business, you treat it as cash, with the lone exception being that you do not give change for Hartsville Dollars. Sign, stamp, or otherwise mark the back of the certificate with the name of your business. Then, simply bring the certificates to the Chamber office or mail them in, and you will receive a check in the mail for the full amount of the certificates. The certificates expire 6 months after they are issued – do not accept expired certificates. There is a 90-day grace period for participating businesses following the expiration date, so you should not have any trouble getting reimbursed, even if you cannot remit your certificates on the same day they are used.

As you can see, this is a great opportunity to draw customers and participate in this great program. Contact the Chamber for more information, or to get your business added to the list!
