### **Lifetime Hearing Services Celebrates New Location with Ribbon Cutting and Giveaway**

**Hartsville, SC** – The Greater Hartsville Chamber of Commerce and Lifetime Hearing Services will host a ribbon cutting ceremony Tuesday, September 16 at 12 noon at their new location in the Carolina Pines RMC complex - 696 Medical Park Drive. The Lifetime team of experienced audiologists and certified assistances has opened this location to further their goal of expanding their services beyond Florence.

Doctors Lesley Kirby and Rachel Van Oosbree will be on hand to celebrate the occasion and to answer questions from attendees. Dr. Kirby has stated bold ambitions for the region: “We have one goal for the Hartsville and surrounding communities – to restore meaningful hearing to the residents of this area. We have patients who have been with us for 15 years because they know we care about hearing.”

In addition to the refreshments and information available, Lifetime Hearing will be giving away a pair of high-definition BEATS by Dr. Dre headphones with a retail value of \$195. This great prize will be awarded to one lucky attendee (must be present to win). The entire community is invited to come out and show support for this excellent new hearing care resource.
