The Rehab Center at Morrell Hosts Open House to Showcase New Developments

Wilson Senior Care has renovated their Rehab Center in Hartsville

Hartsville, SC – The Greater Hartsville Chamber of Commerce and Wilson Senior care invite the Hartsville community to celebrate the recent renovations to The Rehab Center at Morrell with an open house. The event will be Tuesday, September 30 from 5:00 to 7:00pm at 900 N. Marquis Highway in Hartsville. The Rehab Center Morrell has been a community partner and senior care provider for years, and is known for compassionate, effective care. The Chamber encourages everybody in the community to attend and show their support for this great investment in Hartsville. Appetizers and drinks will be served, and tours of the facility will be available.

This \$800,000 renovation and expansion project includes many great new additions to the facility to improve patient care and comfort. In addition to a beautiful new entrance way canopy, The Rehab Center has added 3,000 square feet of therapy space to their rehabilitation gym, four new patient suites, and a new dining and lounge area for short-term rehab: The Courtyard Café at Morrell. These completed projects represent a bold step forward for the healthcare facility, improving upon what was already a world-class operation.
