

Lodi Street Faire Referral Rewards

The Lodi Street Faire is one of the premier events in California thanks to you, our loyal vendors. With your help, over the past several years, you've brought many new vendors to the Faire!

We are happy to continue our referral rewards program but, we have made modifications to it.

You will receive \$30 when you refer a vendor to the Street Faire. You must be a registered vendor in the Faire to be eligible for this offer. The incoming vendor is either new to the Faire or they have not participated in the Faire for the past 3 years.

To receive your rewards, the incoming vendor must include your information on the application where indicated when they submit their application and payment.

This offer is not available using the online registration program. Vendor must complete a paper application to be eligible for this offer.

Rewards will be mailed within 30 days after the event.
