

# Local Chamber Grassroots Partnership

Thank you for participating in the OSCC Local Chamber Grassroots Partnership. As part of our collaborative efforts, participating Chambers are asked to provide the names of three or more local advocate Chamber members that can speak before the Legislature or other audiences on key issues. We also would like your help in identifying a few business leaders within your chamber that have strong relationships with state policymakers. These connections are important when key issues come up in Salem that need their attention. Please fill out this form and email to [jessicac@oregonchamber.org](mailto:jessicac@oregonchamber.org) or bring it to the October 23-24, 2018 OSCC Annual Conference at the Holiday Inn in Springfield, OR.

## Local Advocates:
