

BUSINESS AFTER HOURS

Mission Statement

The purpose of the Elkhorn Area Chamber of Commerce & Tourism Center, Inc. is to advance tourism and promote the economic and civic interests of its partners and the Elkhorn area community.

Having Business After Hours events is a great opportunity for local business owners to showcase their services, products and/or facility while making connections with other business partners of the community. Together, local businesses and the Chamber can achieve our goal of building a bigger more unified community.

Why "BAH" THER?

Elkhorn Area Chamber of Commerce Business After Hours provide networking opportunities for our partners. We give business owners and their team members a chance to meet one another and discuss issues relevant to their businesses.

The Elkhorn Chamber strongly encourages partner to partner business when possible, making these monthly events a critical part of keeping in contact with other chamber partners.
