

ACME Industries, Inc.

123 Lois Lane
Wilson, NC 27893

Keywords: Manufacturing, Skilled Trade

Company Profile:

Founded in 1901, ACME Industries is the world's leading provider of anvils and other cartoon-elimination devices. We employ over 500 professionals at our Wilson facility, and are committed to providing a safe, productive, and fast-paced work environment.

In-demand Career Options:

Production Manager (Full-time)

Pay Range: \$50,000 - \$75,000 per year

Supervises a team of 15-20 crew members. Leads and evaluates production of ACME products. Responsible for compiling monthly and annual production reports. May involve periodic travel to other ACME facilities across the country.

Expected credentials/skills: BS in Engineering required. Software credentials preferred. Must have leadership and problem-solving skills.

Maintenance Technician (Part-time)

Pay Range: \$16 - \$20 per hour

Maintains and repairs all ACME equipment. Services more than 50 machines on the shop floor, as well as non-production equipment (HVAC, boiler, etc.). Will be trained to perform specialized repair as needed. Monthly tool and uniform allowance provided.

Expected credentials/skills: HS diploma required. Mechanical service certification highly preferred. Some experience with heavy repair equipment preferred. Must be able to lift more than 75 lbs.

Welder (Full-time/swing shift and part-time)

*Pay Range: \$30,000 - \$60,000 per year (full-time)
\$25 - \$32 per hour (part-time)*

Become part of the world's finest welding team! All tools and materials provided. Must be able to meet monthly order quotas.

Expected credentials/skills: CW certification OR 5 years progressively responsible experience as a welder required. Must be a motivated self-starter who can work without supervision.

Company Benefits:

- Paid vacation and sick leave
- Employer contributed 401k
- Tuition reimbursement
- Advancement opportunities
- Childcare supplement
- Travel opportunities
