Dear Messrs. McNary and Kobly:

Thank you for your kind words regarding my recent appointment to the role of Minister of Transport.

I am truly honoured to have been chosen to be a member of Cabinet, and especially to represent the Transport portfolio. Transportation affects the daily lives of Canadians, and I am committed to ensuring that it continues to serve our communities, our families, and their safety. Transportation serves as a backbone to our economy, and it must do so while also respecting our natural environment.

I am looking forward to being part of the renewal of a vision of Canada and of its transportation sector that supports all of its current and future stakeholders and that will make Canadians proud of their safe, modern, efficient and environmentally friendly transportation system.

I appreciate your taking the time to congratulate me on my new position. Thank you for writing and for your support.

Yours sincerely,
