Dear Messrs. McNary and Kobly:

Thank you for your letter of November 12, 2015, and for your kind words of congratulations on my recent appointment as federal Minister of Environment and Climate Change. I am honoured to have this opportunity to help make meaningful change in building a more environmentally sustainable future. I regret the delay in responding.

Delivering real results on climate change and the environment is one of the Government's highest priorities. I look forward to working with Canadians to make meaningful progress.

Sincerely,
