

A Chamber Office Opportunity!

A Comprehensive Insurance Program!

We are very pleased to announce an insurance program through Foster Park Baskett Insurance Ltd. to our member Chambers. The Program is a comprehensive one that Foster Park Baskett Insurance Ltd. and we believe can accommodate each exposure your Chamber may face. It includes insurance items such as:

- Property
- General Liability
- Host Liquor Liability
- Crime
- Directors and Officers Liability
- Special Events Coverage

ELIGIBILITY

- Must be a member of the Alberta Chambers of Commerce

PROGRAM BENEFITS:

- **Premium Savings** —The program offers the most competitive rates and premiums.
- **Proper Coverage** —This program encompasses all risks and exposures faced by the Chambers. It includes items such as Liquor Liability, Special Events Coverage and Directors' and Officers Coverage, which if not insured properly could lead to the dissolution of the Chamber or personal bankruptcy of its' officers.
- **Cost/Coverage Certainty** —This program is solely for the Chambers and will not be reliant on the insurance experience of other groups. This will benefit the Chambers' Program, as generally there is very little claims activity with this group so renewal premium should remain stable.
- **Customer Service Focused** —Insured Chambers will be able to easily access FPB staff and they will respond to each individual Chamber's needs immediately.
- **Individual Policies** —Each Chamber will receive copies of their own policy and can make any changes necessary as required.
- **Provincial Focus** — Each Chamber in the Province of Alberta is eligible to participate so long as they are a member of the Alberta Chambers of Commerce.
