**QUACK

You may submit more than one design; however, judges will select only one design per artist. Selected artists will receive detailed instructions for the pickup and delivery of duck forms. At pickup, artists will receive \$150.00 to use for production costs. An additional \$100 will be paid upon delivery of the finished duck. Designs must be appropriate for public display. Designs that are religious, political, or sexual in nature will not be accepted. Corporate logos and advertising are not permitted. The review committee evaluates all designs and has sole discretion to accept or reject any design. A fiberglass duck form, wearing nothing but a rough factory priming, awaits your creative vision. You transform this unadorned figure into a work of vibrant art. Professional grade acrylic paint, artificial resin paint or two-component pain can be used to paint or spray a design on the ducks. All materials must withstand climatic conditions, be safe and durable enough for the public to touch, and be permanent enough to resist removal by eager fingers. An exterior grade sealer that is non-reactive, non-toxic, UV-resistant and waterproof is required. The provided templates must be used to submit designs. The designs must be in color and show us both sides.
