

Young Professionals Group

The New Bern Young Professionals Group (YPG) is a Committee of the New Bern Area Chamber of Commerce made up of dedicated, talented young professionals ranging in age from 21-40 in the Craven County area. YPG's goal is to create a wide roster to include young professionals from a cross-section of careers and industries. YPG's agenda is simple: build relationships both personally and professionally, and to provide an avenue in which young professionals can get involved politically and philanthropically in the New Bern area, thereby contributing to the economic development and high quality of living in the community.

New Bern is a city poised to grow. The energy, enthusiasm, and talent of the Young Professionals stand out as our most encouraging asset in developing our City's future. We are the "Voice of Young Professionals of Craven County," with a fresh perspective.
