

## CHAMBER CONNECTION

February 2019

### Message from the Chairwoman of the Board

**Kelly Newberg, Development Director, *Susan G. Komen Greater Central and East Texas***

On behalf of the Lake Travis Chamber of Commerce, thank you for your membership and commitment to the greatest community in Central Texas.

As a long-time member of the Chamber, I am excited to serve as the 2019 Chairwoman of the Board and accept this responsibility with humility and a strong desire to make a difference.

The Chamber has been a driving force in the local economy since its founding in 1986 and as we head into our 33rd year, the support of our members is more important than ever. Our community has a rich history and is experiencing unprecedented development and growth. We can all benefit from this development and be a part of enriching and growing our community and our businesses.

I have been actively involved in the Chamber's efforts and programs as a member, volunteer or committee member that supports our business community since 2007 and have proudly served on the board for the last 3 years. The Lake Travis Chamber has given me the opportunity to meet business owners and leaders in our community and build both professional and personal relationships that I may not otherwise have had access to. That is a testament to the power of a Chamber membership.

Moving into this new year, it is important for all our Chamber members, board members, and volunteers to be involved. Our Chamber exists to support the business community and to help make our community a great place to live, play and do business. The Chamber is not alone in this endeavor. No matter what your role

is, you are needed and appreciated. Our Chamber offers many opportunities for you to be active and involved: Leadership Lake Travis, Community Luncheons that include the annual Economic Forecast; Ribbon Cuttings; Business off the Clock; Networking Breakfasts; the Ambassador program; and signature annual events including SpringFest and Birdies by the Lake. I challenge you as a fellow Chamber member to take a step to be more active. Bring a business neighbor with you to an event, attend an event that you personally have not yet taken part in and experience something new.

We also want to hear from you. Please email your suggestions and feedback to us at [info@laketravischamber.com](mailto:info@laketravischamber.com). We are committed to serving our membership. Thank you again for your membership and thank you to all our Board members, committee members and volunteers. Let's make it a great year!

## Member Spotlight

**The Chamber Newsletter is a monthly update for our members! We are looking for members who are interested in writing an article!**

You, as a business person, have useful, interesting, and thought-provoking knowledge, information, and ideas. Why not share them with your fellow businesses? It's a great way to get your name out there, form social connections, and share best practice information with fellow business owners.

If your business has changed recently, is hosting an interesting event, or has a truly unique outlook on how it practices business, we can talk about doing a business profile to feature you in the newsletter.

Due to time and space constraints, advertorial style articles which simply advertise your business cannot be accommodated right now. However, if you'd like to place an advertisement in the newsletter give a call to the office and we can get you set up with a paid advertising spot.

Please, don't hesitate to contact us to get feedback on articles for possible inclusion in the newsletter. **The article must be written clearly and professionally. Make sure your article has a title and a unifying theme and is related either to your business or business generally.** The Chamber does not edit articles or is responsible for spell checks. Personal and political pieces, while fascinating, aren't appropriate for this particular publication.

This is really about involving you and getting your unique voices out there.
