NOVEMBER 1ST

Stony Plain & District Chamber of Commerce 2019 Awards - Event Sponsorship

The Chamber Business Awards is a celebration of our business community. Over the years, we have recognized the high standards our entrepreneurs bring to business. Our awards gala takes our celebration to great heights as we let our congratulations soar in honour of our nominees and awards winners.

This year's ceremony, to be held in Parkland Hall at Heritage Park on Friday, November 1, 2019, will mark the 13th anniversary of the Chamber awards program to acknowledge local excellence. It is my pleasure to offer you the opportunity to be part of this special evening by becoming an **Event Sponsor**.

Please confirm your support by signing and scanning or faxing back this letter so we may immediately start providing you with the benefits attributed to this sponsorship. Should you wish to decline the opportunity, please advise me of this at your earliest opportunity.

This awards program could not be possible without the support of local businesses who recognize the importance of celebrating the achievements of those who serve our community. Our Event Sponsors are recognized as business leaders and community supporters and are highlighted in our awards promotions, including the evening's video production, the local newspaper and online promotions.

The networking opportunities for our Event Sponsors are invaluable, with one complimentary ticket to the gala banquet and awards on November 1, 2019.

I invite you to consider supporting our businesses and community as an Awards Event Sponsor. Your \$500 sponsorship investment includes the following benefits:

- one complimentary ticket to the Chamber Business Awards;
- logo recognition in
 - the award program and evening's video production;
 - the Stony Plain Reporter / Spruce Grove Examiner newspaper;
 - Chamber website, newsletter and social media

To confirm your support as an **Event Sponsor**, please sign and date below and return to info@stonyplainchamber.ca. If you would like more information, please call me at (780) 963-4545. Thank you for your consideration and on-going support of the Chamber of Commerce.

Kind regards
Denise Glubish
Executive Assistant
