Don't miss out! The Salem Chamber Directory, both in print and on-line, is a starting point for many business searches and referrals. It contains all membership information as well as important municipal information including phone numbers and addresses for City departments, schools and utilities.

The Directory is distributed for free and the online directory is available 24/7 on our website.

Both the printed and on-line directory are major lead generators for your business or organization, and your ad enhances your message in a major way. And of course, your ad also supports the work of the Salem Chamber at the same time.
