Welcome

On behalf of the Niceville Valparaiso Chamber of Commerce, I’d like to welcome you to a place I am fortunate to call home. Located along the shores of the Choctawhatchee Bay, only a short drive from beautiful white sand beaches and emerald waters, the Niceville Valparaiso area is a wonderful place to live, work, and raise a family.

Proudly, we are the home of Eglin Air Force Base (established 1935) where you’ll find the 96th Test Wing, Intrepid Spirit Program, 53rd Wing, and 33rd Fighter Wing. Nearby is also Hurlburt Field, Duke Field, Army 7th Special Forces, Army Ranger School, and the Navy EOD School. Our community is a Great American Defense Community due to our dedicated support to our military bases, active duty personnel, family members, and our veterans.

Our public and private schools are the best in the state, meeting the needs of all students. We also have Northwest Florida State College in Niceville, home of the Raiders, a fully accredited four-year college offering multiple degrees for higher education. The college is also home to the Mattie Kelly Arts Center, which hosts cultural events throughout the year, including Broadway productions, concerts, and symphony performances.

There is plenty to do in the Niceville-Valparaiso community, offering residents and visitors an opportunity to enjoy waterfront dining, fishing, boating, swimming, and other outdoor activities. Take time to relax and enjoy our area and explore the rich history. Our climate allows for year round sports for the entire family. We offer a wide variety of restaurants, hotels, and shopping opportunities.

Visitors will find all the information you need to make your stay in our area enjoyable within this publication. Chamber members and residents will find that this guide is a valuable business resource. We encourage everyone to seek member businesses and to Keep it Local! The Chamber is fully staffed to assist you as needed.

We are most fortunate to live, work, and play here and we hope you will fall in love and enjoy our community as much as we do.

As early settlers discovered our beautiful area, they wrote home about this paradise community with its pleasant atmosphere, nice people, and natural beauty. These communications, and some innovative marketing, attracted others to seek a fresh start here.

In 1868, mail service was established in Boggy Bayou. In 1910, community leaders changed the name of the east Boggy area to Niceville in an effort to better reflect the area and appeal to investors and visitors. Niceville was petitioned for establishment in 1938 and officially incorporated by the state in 1939. The west side of Boggy would later become Valparaiso, a Spanish word meaning Vale of Paradise, and was incorporated as a city in 1921.

Before roads and bridges, the area was only accessible by waterways; therefore, commerce and homesteads popped up along the shoreline. The lumber and turpentine industries grew steadily from the 1850’s to the 1930’s. The Nathey Gristmill was located where the Eglin Golf Course is today and the Bay Lumber Sawmill was located at the Mullet Festival Site. Farming, fishing, and shipbuilding were also prominent industries in the early years.

Eglin Air Force Base is an integral part of our areas history. In 1935, Valparaiso developer James E. Plew donated 1,460 acres to establish the Valparaiso Bombing and Gunnery Base, renamed in 1937 to Eglin Field. Choctawhatchee National Forest was created in 1908 and was the first national forest in the south, boasting 465,000 acres. In 1940, over 340,000 acres were transferred to the War Department as a training field; today’s Eglin Reservation.

In 1934, historic downtown Niceville on Bayshore Drive was lost in a fire and new buildings were established on the north side of the street. The center of commerce moved again in 1961 with the four lane completion of John Sims Parkway. Visitors can still experience historic Valparaiso, including the Heritage Museum of Northwest Florida, on Westview Avenue, in its historic building. Our history is riddled with fascinating facts, controversy, and stories passed down through the generations. For the rest of the story, visit: BoggyFlorida.com, valp.org, Heritage-Museum.org, cityofniceville.org, eglin.af.mil, eglin.isportsman.net, and NicevilleChamber.com.

FISHING
With many beautiful bodies of water in the Niceville Valparaiso area, fishing is a favorite pastime! Brackish waters, a mix of fresh and saltwater, from the Choctawhatchee Bay and surrounding bayous yield flounder, speckled trout, red fish, mullet, oysters, and shrimp. Freshwater creeks, streams, rivers, ponds, and lakes yield bass, bream, and catfish. Saltwater fishing is just across the Mid-Bay Bridge in the Gulf of Mexico - cobia, red snapper, and grouper territory!

HUNTING
Eglin Air Force Base Reservation features forests, rivers, and ponds to offer some of the best hunting in the state. Camping is allowed with a permit. The 464,000-acres of heavily wooded Eglin Air Force Base Reservation offers hunting for such game as deer, turkey, and feral hog. Recreational, camping, hunting, and fishing permits for the Eglin Reservation are available at Eglin Natural Resources Branch, Jackson Guard. 107 Highway 85 North, Niceville 850.882.4164.................................eglin.isportsman.net

State hunting and fishing licenses are required by the Florida Fish and Wildlife Conservation Commission. 888.486.8356......................................................myfwc.com

Natural gas water heaters cost less to operate monthly.

Today’s natural gas water heaters are the most efficient models on the market. Compared to electric water heaters, they’re less expensive to operate, they heat water faster, and they provide hot water even when the electricity goes out. They’re more durable, since the flame does all the work and there are fewer parts to fail or wear out. And, they come in a variety of sizes so you can select one to best meet your needs.

Call us or book an appointment online for a free in-home consultation.
