

MISSION: Niceville Young Professionals is a member organization aimed at engaging an emerging group of leaders committed to personal growth and career advancement while serving the communities in Okaloosa County.

VISION: To be an organization allowing Young Professionals to make measureable and significant impacts in both their personal and professional lives, as well as in Niceville and its surrounding communities.

Why join Niceville Young Professionals (NYP)? There are many excellent reasons: increased community involvement, desire to give charitably, meet exciting people, or enjoy lunch out of the office. But for me, I get access to current and future leaders in a way that is simply not possible anywhere else. The concentration of excellence, accomplishment, and competence found in the NYP membership is unparalleled by any organization in our area. I want to emulate our members, and my reputation is improved by their company.

I don't mind telling you, when I do business, I do it with an NYP member. People want to do business with people they know, like, and trust. And those people can be found at NYP.

If you want to get the most out of your membership, I have just one word for you: volunteer! It is the best way to develop close relationships, give charitably, and make a difference in our community. We need your ideas, efforts, enthusiasm, and personality. I promise you, the more you give the more you will receive. I sure have. Besides, it's FUN!

Thank you for joining us. Let us know how we can do better. We covet your feedback.

Sincerely,

Matthew J. Ausley
