

FARMINGTON CHAMBER OF COMMERCE MEMBER REFERRAL PROGRAM

REFER A MEMBER TO THE CHAMBER:

The Member Referral Program is a great opportunity to help your Chamber and your business grow! A growing membership strengthens the Chamber's impact as it advocates on issues of importance to our members. With your referral, your company is planting the seeds to help grow the Chamber and establish strong roots for our members.

As a Chamber member, you know how valuable networking events, professional development, and advertising opportunities are and chances are, you know of other businesses that might benefit from these services too. So why not refer them to the Chamber and earn money?

Refer another business to join the Chamber and once the new member's* payment is paid in full; the referring member will receive a check from the Chamber in the amount of the new member's first month's dues. The top referrer of the year (with at least 5 referrals) will receive a ticket to the Chamber's Annual banquet.

HERE IS HOW IT WORKS:

- Current Chamber members and any employees of current Chamber members may participate in this program.
- A referral card or email must be received by the Chamber office indicating you as the person referring the new business
- A referral for this program is a business that joins the Chamber as a direct result of a current members efforts
- Payment from the new member must be paid in full
- Should more than one referral form be submitted for the same new member, the Chamber will honor the first referring party only
- There is no limit to the number of referrals current members can make

Fill out the form below, or complete and print this form and bring it to the Chamber at 100 W. Broadway or email it to chamber@gofarmington.com
