2014 YEAR END REVIEW

The Sauk Valley Area Chamber of Commerce worked hard in 2014 to continue to creatively meet members changing needs. During 2014 the Chamber was no stranger to transition as we welcomed a new program manager and as 2015 began we introduced a new Executive Director and program manager. Your contributions are critical to our success and we appreciate your continued support. Below are some statistics and pictures from 2014.

-  24 new members joined the Chamber last year.
-  313 members renewed their membership.
-  17 ribbon cuttings were held.
-  142 member companies participated in events.
-  Awarded \$6000 in scholarships.

“When consumers know that a small business is a member of the Chamber of Commerce, they are 44% more likely to think favorably of it and 63% more likely to purchase goods or services from them in the future.”
