Legislative Updates: The Impact on Small Business and Rural Illinois

Guest speaker Nathan Hoffman, from the Illinois Chamber of Commerce, will present the 2017 Illinois legislative updates and how they will affect our community.

Returning to the Chamber as the Director of Advocacy, Nathan most recently was with the Illinois Senate Republicans Communications Department, Division of Member Services where he worked with Republican Senators to provide individualized outreach and communications planning. He previously worked for the Chamber as the Manager of Advocacy. In his new role, he will build on strong grassroots programs as well as integrate new initiatives.
