

# 7 WAYS TO SUPPORT LOCAL BUSINESS

## BUY GIFT CARDS

Purchase certificates to use at a later date. This is a great opportunity to support your favorite shops through this time.

## ORDER TAKEOUT & DELIVERY

Call ahead to your favorite restaurant to see which method they prefer, then designate when you'll be grabbing your grub. Check out our website for a list of local spots!

## TIP LIKE YOU MEAN IT

Consider tipping a little more than you previously would to contribute to the appreciation of the community as well as the individual.

## GET SOCIAL

Share a post from your favorite places across SW Washington and even make a shout-out or two on your own page. This will help small businesses gain visibility while their doors may be closed temporarily.

## DONATE

Think about donating some items you may have in excess, for instance canned goods or clothes you don't wear any longer. These small gestures make large impacts to those who need it.

## SHOP ONLINE

Visit websites of local businesses you may have previously only visited in-person. You may see exclusive online-only deals and coupons for future use!

## STAY SAFE

The more precautionary measures we use, the more opportunity we have for flattening the curve. Act locally, but think globally!
